

Skills and Job Readiness Initiative

The **NSDC International (NSDCI)**, in collaboration with **Lamrin Tech Skills University Punjab**, is pleased to invite you to the **Skills and Job Readiness Initiative**, a pioneering effort to equip individuals with job-ready skills along with requisite language proficiency to drive India's Skill mission.

Join us as we unlock the potential of skill development combined with language training, enhancing employability and preparing youth for thriving careers in the global workforce. Be part of a network dedicated to creating a lasting impact and shaping a brighter tomorrow.

Event Details:

- **Date:** December 11, 2024 (Wednesday)
- **Time:** 2pm to 4.30pm
- **Venue:** Lamrin Tech Skills University Punjab, Ropar
- **Theme:** *Skills and Job Readiness leading to Global Opportunities*

Why Attend?

- **Skill Development:** Understand industry-specific skill requirements and soft skills essential for professionals.
- **Language Training:** Learn how language proficiency enhances global career opportunities.
- **Career Pathways:** Explore employment prospects with leading organizations.
- **Networking:** Connect with industry leaders, trainers, and peers to build valuable relationships.
